

2017, July

Dear Authors,

Guest Editors

Information for submitting to JJAP Special Issues

On behalf of the JJAP Paper Committee of AM-FPD '17, I am pleased to inform you that you are recommended to submit a paper for the publication in the JJAP special issue on "Active-Matrix Flatpanel Displays and Devices -TFT Technologies and FPD Materials-"(Vol. 57, No. 3S1, 2018).

The manuscript should contain some novel, original and significant parts in addition to your presentation in AM-FPD '17. In case of reproduction or reuse of figures and/or tables appeared in AMFPD proceedings for JJAP Special Issue, please add "authors, title, proceeding of AMFPD'○○, paper number, page, year" reproduced under permission of FTFMD in your reference list.

Example

1) Author, "High performance Oxide TFT", Proc. AMFPD'17, paper 3, 231(2017).

Reproduced under permission of FMFTD.

The submission must be made through the below online submission no later than July 23, 2017, taking account of the following notices.

<<BENEFITS>>

The authors of the accepted papers are granted to submit.

- a. The publication charge is a lower price of 20000JPY/article with any pages.
- b. An accepted article is published online on IOP science as early as about 6 months after submission.
- c. Open access or free access is available for any accepted article for one year after the publication.
- d. One excellent original paper is honored as Best Paper Award in AM-FPD'17 from the accepted ones.

Notice:

- a. The submitted paper will be reviewed as an original paper in accordance with the JJAP standards and will not be automatically accepted for publication.
- b. If the manuscript is not accepted for publication by the deadline scheduled for the special issue, it will be treated as canceled.

Submission & information:

<https://journals.jsap.jp/jjap/special-issues/online-submission-to-jjap-special-issues>

The review schedule is as follows

July 23, 2017: Submission

Mid-December, 2017: Final decision

March, 2018: Publication

Thank you for your contribution to the AM-FPD'17.

We are looking forward to your submitting a paper for the JJAP.
